East European Journal of Society and Politics

ANNUAL REPORT

2018

# Aims

*Intersections.EEJSP is a peer reviewed journal which promotes multidisciplinary and comparative thinking on Eastern and Central European societies in a global context.*

*The journal publishes research with international relevance and encourages comparative analysis both within the region and with other parts of the world.*

*The journal was founded by the Centre for Social Sciences of the Hungarian Academy of Sciences in Budapest and provides an international forum for scholars coming from and/or working on the region.*
