

HORIZON-CL6-2022-COMMUNITIES-02-01-two-stage: Smart solutions for smart rural communities: empowering rural communities and smart villages to innovate for societal change

EXPERTISE OFFER — Project Coordinator, WP Lead

Researcher — Dr Ana Stojilovska

Dr Ana Stojilovska is Research Fellow at the Institute for Political Science. She is a social scientist and holds a PhD in Environmental Sciences and Policy (2021). Her research interests include an anthropological human-centered approach to studying energy poverty in the context of a socially just energy transition, questions of (in)justice and equity concerning infrastructure, heating, and fuel use, as well as new governance models uncovering systematic drivers of energy vulnerability. She has a 12-year experience of studying energy and environmental policies in Central Eastern Europe. Previous work experience includes a think tank researcher position at Analytica, Skopje and teaching fellow positions at ELTE, Budapest, and CEU/OSUN, Kenya (online).
