

## **HORIZON-CL2-2022-DEMOCRACY-01-01: Artificial intelligence, big data and democracy**

### **EXPERTISE OFFER — WP LEAD, TASK LEAD, PARTNER**

#### **Researcher — Kitti Mezei, PhD**

Kitti Mezei is a Research Fellow at the Institute for Legal Studies at the Centre for Social Sciences. Her fields of excellence include cybercrime and cybersecurity regulation, emerging technologies, ethics and law. She gained experience in this interdisciplinary field and research project management. She is a sub-project leader of Hungarian Artificial Intelligence National Laboratory, the research project focuses on the legal environment of artificial intelligence in an international context. She is involved in the Human-centered Artificial Intelligence Masters (HCAIM) programme and in developing a course on artificial intelligence for computer science students. More information: [Researcher profile](#)

#### **Expertise offer for the call**

- ◆ policy analysis on cybercrime and emerging technologies, literature review
- ◆ ethical and regulatory impact assessments with a focus on challenges of emerging technologies
- ◆ questions of social acceptance of new technologies
