

HORIZON-HLTH-2022-STAYHLTH-01-01-two-stage: Boosting mental health in Europe in times of change
EXPERTISE OFFER — TASK LEAD, PARTNER

Researcher — CSS Centre for Family Studies

The CSS Centre for Family Studies was established with researchers from the Institute for Legal Studies, the Institute for Minority Studies, the Institute for Political Science, the Institute for Sociology, and the Child Opportunities Research Group. The Centre's activities include: reviewing and presenting research on families; organising thematic lectures and conferences; participating in the development of teaching materials for higher education; and participating in the design and implementation of joint research projects.
