

## HORIZON-CL2-2022-TRANSFORMATIONS-01-08: Strengthening racial, ethnic and religious equality

### EXPERTISE OFFER — TASK LEAD, PARTNER

#### Researcher — Éva Perpék PhD

Éva Perpék is a research fellow at the Child Opportunities Research Group at the Centre for Social Sciences. Her fields of excellence include sociology and social policy. She gained experience in studying formal and non-formal volunteering; deliberative methods; income and living conditions of families with children, child poverty and social exclusion; home environment and educational attainments of pupils. Perpék's recent research focus includes child poverty and social exclusion in international context; program evaluation of local development projects implemented in underdeveloped sub-regions; work conditions, well-being and mobility of social professionals. She applies both qualitative and quantitative research design. More information: [researcher profile](#)
