

HORIZON-CL2-2022-TRANSFORMATIONS-01-04: Decision-making processes of (aspiring) migrants

EXPERTISE OFFER — TASK LEAD, PARTNER

Researcher — Endre Sik DSc

Endre Sik is a Research Professor at the Institute for Sociology at the Centre for Social Sciences. His fields of excellence include economic sociology, migration studies (with special focus on xenophobia/discrimination) and narrative analysis. Sik's recent researches are as follows: migration related narratives (BRIDGES, Horizon 2020) and intra-household inequalities/network capital (Hungarian Research Fund). He applies various types of quantitative techniques. More information: [researcher profile](#)
